The city: London's a great city, it's so big. There are interesting places to visit and there are many restaurants and theatres, I'm never bored!

Where I live: I have a room with a British family here. They're very nice. Mr Henderson's a chef and Mrs Henderson's a nurse. They children, Zoe and Mark. Zoe loves playing the piano and Mark likes computer games. Their house is near the underground station, it only takes about 25 minutes get university.

What I do here: My course is very interesting. My favourite class is North American History. we finish, the teacher often goes to a café us to talk more our studies. It's great fun! I want study more history I go back to Hungary next year.

Who I know: I have a lot of friends on my course – they're so friendly. My best friend's Antonia. She's from Guadalajara in Mexico. She's 22 and she loves going the theatre me. We'd like see a Shakespeare play we're in London, the tickets are really expensive.
