

# Miley Cyrus – River

## Listening Activity

### WATCH THE VIDEO AND COMPLETE THE LYRICS.

I got a new \_\_\_\_\_

Just to \_\_\_\_\_ you downtown

Will you walk me through the park just to show it off

I can pull my \_\_\_\_\_ back in that tight way that you like

If you wrap me in your \_\_\_\_\_ and you never stop

Heart beats so loud that it's drowning me out

Living in an April shower

You're pouring down

\_\_\_\_\_ drown me out

You're just like a river

You're just like a river

You go on forever

You're just like a river

Blowing bubbles in the bath  
I can't stop from \_\_\_\_\_ lately  
You could be the one  
Have the honor of my babies  
Hope they have your \_\_\_\_\_ and that crooked \_\_\_\_\_  
Was a desert before I met you  
I was in a drought

Heart beats so loud that it's drowning me out  
Living in an April shower  
You're pouring down  
Baby drown me out

You're just like a river  
You're just like a river  
You go on forever  
You're just like a river

You're never running dry

I feel you \_\_\_\_\_  
Your \_\_\_\_\_ is all in my hair  
Covered up in your sweat  
It turns me on that you care, baby  
Your \_\_\_\_\_, it flows just like a river

You're just like a river (That's what you are)

You're just like a river (Heart beats so loud that it's drowning me out)

You're just like a river (Living in an April shower)

You go on forever (You're pouring down, baby drown me out)

You're just like a river
