Doing the housework

by Lisa Porter, Class 4b

At home, we all share the housework. My dad loves cooking, so he cooks all the food. Sometimes we help him, though. Next weekend, for example, we're having a party so I'm going to help him. In the past, my mum did all the shopping. She started a new job last year though, so I've done most of the shopping since then. It's easy, because I shop online. That means I order everything on the Internet (my dad lets me use his credit card!) and someone from the supermarket delivers it to our house.

My brother, Andy, cleans the bathroom nearly every day. He didn't do it yesterday, so he might do it later today. My sister Angelina sweeps the floors. She uses a really old brush. I think she should use a vacuum cleaner! You can save time if you use electrical equipment.
