

## REFUERZO ÁREAS DE LOS POLÍGONOS

| Cuadrilátero | Forma                                                                             |
|--------------|-----------------------------------------------------------------------------------|
| Cuadrado     |  |
| Rectángulo   |  |
| Romboide     |  |
| Trapezio     |  |
| Rombo        |  |

$$A = \frac{D \times d}{2}$$

$$A = \frac{(B + b) \cdot h}{2}$$

$$A = b \times h$$

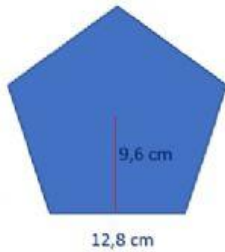

$$A = l^2$$

$$A = b \times h$$

Calcular el área de los polígonos
