Ask the teacher about your final score...

Results:

0-7 = you are not very active... Be careful or people may think you don't care about them or the place where you live!

8-14 = you are very active... but think about the things that you can do for helping people around you.

15-21 = you are very active! Good for you.

22-28 = You're always on the go! Amazing!!!
