

I just don't know what to do with myself. - The White Stripes

-Listen to the song and fill the gaps to complete it.

I just don't _____ what to do with myself
I don't _____ what to do with myself
Planning everything for two
Doing everything with you
And now that we' _____ through
I just don't know what to do
I just don't _____ what to do with myself
I don't _____ what to do with myself
Movies only _____ me sad
Parties make me _____ as bad
Cause I' _____ not with you
I just don't _____ what to do
Like a summer rose
_____ the sun and rain
I _____ your sweet love
To feel all the way
Well, I don't _____ what to do with myself
Just don't _____ what to do with myself
Planning everything for two
Doing everything with you
And now that we' _____ through
I just don't _____ what to do
Like a summer rose
_____ the sun and rain
I _____ your sweet love
To feel all the way
I just don't _____ what to do with myself
Just don't _____ what to do with myself
Just don't _____ what to do with myself
I don't _____ what to do with myself
