Jaime Garzon was murdered: *Jamie Garzon, 39, was killed in the classical Colombian "sicario" style: By gunmen riding double on a motorcycle while he sat in his car waiting for a traffic light to turn green. The gunmen had been following Garzon for at least several blocks that their suspicions were raised when the rear rider took out a cloth and covered the motorcycle's license plate. Two blocks later, the motorcycle pulled even with Garzon's car, which was stopped at a light. The rider then pulled out a revolver and shot Garzon at point-blank range through the car window. Garzon died instantly as the result of at least three shots to the head and chest.*
