

likes and dislikes

1 Know your words !

Lis chaque phrase ci dessous. Trouve celles qui vont ensemble.

Celles qui vont ensemble indiquent un même degré d'appréciation :

<3 <3 <3 → On adore ! <3 → On aime bien
+/- → On aime plus ou moins -- → On déteste.

He loves cooking

They hate doing their homework

He is a MasterChef TV show buff

She enjoys swimming in the sea

She is interested in baseball

She likes sport

They don't like school

He is crazy about preparing pancakes

She doesn't mind going to a salsa class from time to time

They despise their strict teachers

He is fond of eating chocolate

He adores reading cook books

She thinks dancing is ok

She is into running

Aide toi des phrases qui vont ensemble pour en déduire le degré d'appréciation de chaque verbe ou expression :

Love	Like	Don't like	A masterchef buff	Enjoy
To be into	To be interested in	Don't mind	To be fond of	Despise
Adore	Hate	To be crazy about		

2 Use your words !

Read this text about Suzy and the things she likes.

Suzy is very athletic. She doesn't like water sports but she is crazy about team sports. She adores watching sports on TV : she doesn't mind going to the stadium, but she prefers supporting her favourite team from her sofa. She is a movie buff too. She loves action movies and she is fond of Will Smith. She is also into horror movies because she enjoys being scared.

She is not interested in music at all. She despises Justin Bieber because she thinks he sucks! She says he is a very bad singer. She hates everything about him!

Complete the chart : copy what she adores, likes, etc..

			

3 THINK !

1. She is fond of Will Smith.

2. She is fond of watching Will Smith movies.

Les expressions de goût peuvent être suivies d'un verbe (phrase) ou d'un nom (phrase)

Lorsqu'elles sont suivies d'un verbe, il faut ajouter la terminaison à ce dernier.

4 EXPRESS YOURSELF !

Rédige à présent un paragraphe sur tes propres goûts.

Indique :

- 3 choses que tu adores
- 2 choses que tu aimes bien
- 1 chose qui ne te dérange pas
- 2 choses que tu détestes.

Utilise une **expression différente** à chaque fois.

Pense à rajouter **-ING** aux verbes qui suivent l'expression du goût.
