A PHONE CONVERSATION BETWEEN FRIENDS

Max: Hi Tim!

Tim: Hey Max, how are you?

Max: Great! My parents told me today that we are going to go on vacation in August.

Tim: Oh, really? Where are you going to go?

Max: We're going to visit the Canary Islands for two weeks!

Tim: Wow, I'm sure you'll have fun.

Max: Definitely. I'm really excited. I think we'll go sea kayaking on the first day and then my dad wants to scuba dive because he loves the coral.

Tim: Scuba diving? That's scary! My older brother loves to scuba dive and he always sees loads of sea animals.

Max: Well, I love wildlife so I really want to do it. My favorite animal is a sea lion. But I'm scared of jellyfish because they can be almost invisible in the water.

Tim: That's true. I'm sure you will see lots of tropical fish and maybe even a giant tortoise. But careful with the tide, the ocean can be very powerful.

Max: Thanks for the tip. I'm going to go boogie boarding too. But my sister doesn't like water sports. She will probably sit on the shore and play in the sand.

Tim: Well, I'll be here. My mom bought me a hammock.

Max: That sounds fun. Will you put it in the garden?

Tim: Yeah, I think I'll tie it to the palm trees, and then I'll have a nap in it.

Max: Nice. Hey, what do you think holidays will be like in the future?

Tim: I hope we will be able to travel to space! I love learning about the stars and planets.

Max: Me too. But I hope that scientists invent a time machine. I want to travel back in time and see the dinosaurs.

Tim: That's cool too. My mom says if we will the lottery we'll go on holiday to California.

Max: That's where all the movie stars live. Maybe you will meet a famous person in Hollywood.

Tim: Yeah! I just hope I won't get lost there because it's a really big place.

Max: Well, I have to go now because my family is going to have dinner soon.

Tim: Ok, talk to you later Tim.

Max: Later!
