

AZALERA eta PERIMETROA (2)

Triangelu baten azalera:

Beraz : Azalera Triangelua = $\frac{\text{oina} \times \text{altuera}}{2}$

Kalkulatu irudiko triangeluen perimetroa eta azalera:

Perimetroa: m

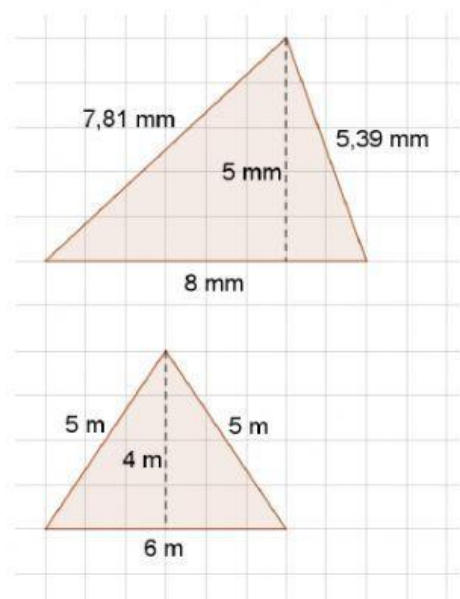

Azalera: m^2

Perimetroa: dm

Azalera: dm^2

Perimetroa: cm

Azalera: cm^2

Perimetrea: **mm**

Azalera: **mm²**

Perimetrea: **m**

Azalera: **m²**
