

**ENVIRONMENTAL GRADE ONE**

**STRAND: SOCIAL ENVIRONMENT**

**SUB STRAND: TOOLS FOUND IN OUR HOME**

**Introduction:** Tools are things we use to carry out an activity

These tools make work easier for us.

**The following are some of the tools found at home**

**Hammer**

**wheelbarrow**

**Broom**

**Jembe**

**Spade**

**Electric drill**

**EXERCISE:**

Match the picture of the tools with its function correctly

|                                                                                     |                                               |
|-------------------------------------------------------------------------------------|-----------------------------------------------|
|    | <b>Digging the Garden</b>                     |
|    | <b>Sweeping the floor</b>                     |
|   | <b>Making holes on the wall</b>               |
|  | <b>Cut grass for the cow and other things</b> |
|  | <b>Wheelbarrow</b>                            |
