Activity 5

Match these personal profiles to an appropriate job position. There are three extras.

Sharon, 29.

I have two years of experience working in this field. I take my job seriously and I am reserved. I love working at night. I am very active, and exercise is very important to me. I do not have a family, so I dedicate myself entirely to my job and friends. I am very good at paying attention to people. I can quickly take care of difficult situations.

Mike, 22.

I have just graduated, and I have lots of energy and conditions to learn about this job. I have no experience but I have volunteered at many institutions taking care of children. I love creative tasks, I am organized, and I would love to get a chance to implement all my fresh ideas.

Jay, 35.

I love sports and taking care of people. I am always ready to help with any task and I do so with a positive attitude. I am certified and I have just completed a training course on First Aids. I have also studied to be able to assist Kids and Adults with disabilities. I have three years of experience working at a gym, assisting lessons for children as well as adults.
