DRAG AND DROP THE CORRECT EXPRESSION

TOO MUCH - TOO MANY - TOO MANY - AREN'T ENOUGH - ENOUGH

I don't really like my town. Every summer, too many tourists come here, so there are ¹ cars in the streets, and that means there's ² noise. There aren't ³ places for teenagers to go, either. There are lots of shops but there are always ⁴ people in them! And most of the clothes shops are for old people – there ⁵ shops for young people like me!
