Hello! I'm Brad. I live in Wellington, New Zealand and I'm ten years old. I've got two younger brothers, Nick and Jack. They're very sporty. They play football, basketball and ride their bicycles all day. I like cycling to school, but in my free time I prefer drawing or painting. I love music! I can play the drums and I sometimes go to pop concerts. My favourite subject at school is history. I'm not very good at maths or science.

Hi! My name's Tina and I'm from Honolulu, Hawaii. I'm 11 and I go to school with my sister, Shelly, and my brother, Ian. Shelly is eight and she plays the piano really well. Ian and I aren't very musical. Ian is 13 and we always go surfing together. He's also the best science student at school in Science. My mother is a music teacher at school. I played the piano when I was younger, but now I don't. I'm always on my surfboard in my free time.

Hi! I live in Auckland in New Zealand and my name's Joe. I'm eight years old and I've got an older sister, Claire. She's studying at university so I live alone with my parents most of the time. I like going to school and in my free time I go to a youth club. I've got friends there who can make amazing things, like toys with plastic bottles. I'd like to be creative like that, but I'm more interested in computers and the internet. I want to create websites when I'm older.
