EVERYBODY HAS A BODY

Everybody, has a body
and every body has body parts, body
parts.

You have ten **toes/fingers/heads**,
you have ten **toes/hands/eyes**,
you have two **ears/nose/eyes**,
and you have one **eye/finger/nose**.

You have two **legs/arms/hands**,
you have two **arms/legs/heads**
and you have **hair/legs/arms** on the top
of your **hand/head/back**.

Everybody has a body and every body
has body parts, body parts.
