

Listen to the song and click on the correct word. Part 2.

EVERYBODY HAS A BODY

You use your face/hands/hips to pick things up,

you use your legs/arms/feet to give great big hugs.

You use your nose/mouth/legs to run and run and your ears/feet/fingers always touch the ground.

Everybody has a body, and every body has body parts, body parts.

You use your nose/eyes/ears when you're looking,

you use your fingers/nose/hands to smell what's cooking,

you use your mouth/chin/ears to hear the song,

you use your cheeks/mouth/eyes to sing along.

Everybody has a body, and every body has body parts, body parts.
