I'm really (1) about hockey. It's my favourite sport and I play for a local hockey team.

Our coach, Anna, is completely (2) to our team – she does everything to make us the best. She is a positive person too and is always (3) about our chances of winning matches. Anna is always (4) with us and says exactly what she thinks of our abilities. However, she does this in a (5) way – she is never horrible or unfriendly. After every match, we get together and talk for a short time. Anna is (6) when we lose and doesn't get angry. Fortunately, we don't lose very often!
