

FROM HOBBY TO JOB

Twins Chet and Betts have achieved what many young people only dream of - they've made it in the fashion world. When they were just 15, they created the streetwear brand Lucid FC, which now sells worldwide.

As kids the boys loved trainers. 1. _____. Slowly they built up a collection. Betts, the twin with the business brain, knew all about the trainers he wore, how many were sold and where they were being produced. 2. _____. He set up a YouTube channel, Solw Brothers, where they reviewed trainers in the twins collection.

While they were at school, the twins decided to make their own trainers. They sold their collection to raise money for their brand, communicated with manufacturers overseas and finally released a shoe. Unfortunately, it did not sell well. 3. _____. The result of these conversations led to the production of a shoe decorated with a logo, which looked good and became popular.

After a couple of years, the boys decided to rename their brand Lucid FC and launch their first collection, which included items of clothing. While they were studying the fashion business at college, they looked for manufacturers who could make their products. 4. _____. The next challenge was to find stores to sell their products. The twins were shopping at the fashionable VFiles clothing shop when they were offered jobs and their manager later decided to stock the brand.

Celebrities were soon wearing it, too. One of their first customers, Rihanna, was wearing a Lucid FC jacket and cap at a basketball match in 2015 when someone took a photo of her. 5. _____. Today, the business continues to grow and the brothers have great plans for the future.
