Time to clean the spaceship!

Harry is talking to Luke, an astronaut on the space station. Luke is teaching Harry about the spaceship. Read and **choose** the correct words to complete the conversation.

Luke- Today we have to clean the spaceship.

Harry - Why? What **(1)** _____ if we don't clean the ship?

Luke- Well, if we **(2)** _____ to clean the engines, they'll stop working.

Harry- Why?

Luke- Dust **(3)** _____ very important wires if it gets too dirty.

Harry- Oh, I see! If the wires are too dirty, they **(4)** _____ !

Luke- Exactly. We have to be careful.

Harry- Will it be a problem if the engines **(5)** _____ ?

Luke- Not really. If the engine has got a problem, our mechanic Tom **(6)** _____ it.

Harry- If Tom can't fix it, what **(7)** _____ do?

Luke- If he can't solve it, we **(8)** _____ the station and they'll send help.

Harry - If they fix the engines, **(9)** _____ with our trip?

Luke- Of course! We'll keep on travelling if our engines **(10)** _____ .

Harry- Great! I'll help you clean
