

Reading Comprehension: A bad day!

Last week, there was one really, really bad day. It was Monday. Usually, there are 25 students in my class, but that day, there were only 5 people! It wasn't warm, it was really cold. It was raining a lot. It was dark and gray outside. There wasn't any sunshine. I think the students weren't at school because they were sick. They were at home. Maybe they were in bed.

Miss Andrea is our teacher. She always gets to school very early. Last Monday was not different. She was not in the staffroom. She was in the classroom, and she was cold because the heater in the school was broken. It was freezing. The school was like a refrigerator. Our classroom was like a freezer. And poor Miss Andrea was like ice! The place was cold, cold, cold.

The next days were much better. The heater was fixed on Tuesday, so everything was O.K. There were 25 students, not only 5. But where was Miss Andrea? She wasn't there. She was at home, sick in bed!
