4 + 1 = \_\_\_\_\_

5 - 2 = \_\_\_\_\_

A visual equation showing three hands on the left, a plus sign in the middle, two hands on the right, and an equals sign followed by a dashed line for the answer.

A visual equation using hand gestures. On the left, a hand shows four fingers (index, middle, ring, and pinky). In the center is a minus sign (-). To the right of the minus sign is a hand showing two fingers (index and middle). Further right is an equals sign (=). To the right of the equals sign is a hand showing two fingers (index and middle). This visualizes the subtraction 4 - 2 = 2.

|                                                                                  |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                    |                                                                                     |                                                                                     |                                                                                     |
