time the exams place advice up

There's a big education fair in my city which takes <sup>1</sup> place in May each year. I'm going to go because I don't know what to do when I leave school. It's difficult to know who to take <sup>2</sup>              from, because everyone tells me different things! Dad says I should take <sup>3</sup>              a job in the family business, like he did. My teachers think I should go to university, and Mum wants me to take <sup>4</sup>              to go to Oxford or Cambridge. I suppose I can take <sup>5</sup>              to decide what I want to do as I'm only 14, but I like to plan ahead!
