Ocean Similes

Simile = comparison using "like" or "as"
Classify the texts in the corresponding group. Start from left to right, top to bottom.

The ocean is big like a swimming-pool.	Waves are so noisy on the cliff.	Her eyes are blue like the ocean.
I like corals the best.	The wet rock was as slippery as an eel.	The cake was salty as sea water.
The ocean's surface is crystal-clear.	As my mum says, pearls are bright.	He swims like a fish.

The boat is sinking in shark-infested waters.
