

A year without rain – Selena Gomez

1) Order the verses properly:

Like I've been wandering the desert
 For a thousand days
 Don't know if it's a mirage
 But I always see your face, baby.

Can you feel me when I think about you?
 With every breath I take
 Every minute, no matter what I do
 My world is an empty place.

I'm missing you so much
 Can't help it, I'm in love
 A day without you is like a year without rain
 I need you by my side
 Don't know how I'll survive
 A day without you is like a year without rain

3

I'm missing you so much
 can't help it, I'm in love
 A day without you is like a year without rain
 I need you by my side
 don't know how I'll survive
 A day without you is like a year without rain

1

It's like the ground is crumbling underneath my feet
 won't you save me?
 There's gonna be a monsoon
 When you get back to me
 oh baby

The stars are burning
 I hear your voice in my mind (it's in my mind)
 Can't you hear me calling,
 my heart is yearning
 Like the ocean that's running dry
 Catch me I'm falling

I'm missing you so much
 can't help it, I'm in love
 A day without you is like a year without rain
 I need you by my side
 don't know how I'll survive
 A day without you is like a year without rain

2

So let this drought come to an end
 And may this desert flower again
 I'm so glad you found me
 Stick around me
 Baby, baby, baby...
 It's a world of wonder
 With you in my life
 So hurry baby, don't waste no more time
 And I need you here
 I can't explain
 But a day without you
 Is like a year without rain
