

Call Me Maybe – Carly Rae Jepsen

I _____ (throw) a wish in the _____
Don't ask me I'll never _____
I _____ (look) at you as it fell
And now you're in my way
I'd trade my soul for a _____
Pennies and dimes for a _____
I wasn't _____ (look) for this
But now you're in my way

Your stare was _____ (hold)
Ripped jeans, skin was _____ (show)
Hot night, wind was _____ (blow)
Where you think you're going baby?

[CHORUS]

Hey, I just _____ (meet) you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my _____, so call me maybe
Hey I just _____ (meet) you and this is crazy
But here's my _____, so call me maybe
And all the other boys try to _____ me
But here's my number, so call me maybe

You _____ (take) your time with the call
I _____ (take) no time with the fall
You _____ (give) me nothing at all
But still you're in my way
I beg and borrow and _____
At first sight and it's real
I didn't know I would feel it
But it's in my way

Your stare was _____ (hold)
Ripped jeans, skin was _____ (show)
Hot night, wind was _____ (blow)
Where you think you're going baby?

[CHORUS]

Before you _____ (come) into my _____
I _____ (miss) you so bad
I _____ (miss) you so bad
I _____ (miss) you so so bad
And you should know that
I missed you so so bad
It's hard to look right at you baby
But here's my _____, so call me maybe

[CHORUS]

Life - chase - tell - wish - kiss -
number - well - steal
