Reading

4-Read the following passage then answer the questions.

People often ask me what I like to do at weekends. My answer is always the same: I like to go for a picnic with my family. 'Oh, do you have a favourite place?' **they** ask. So I tell them about a beautiful quiet place we know. I tell them about the route that takes you between two mountains. You leave the car and walk along a small path. The narrow path takes you along a valley where there are always lots of flowers. At the end there are some woods with huge old trees. They protect you from the wind and the sun. There you eat your picnic. You listen to the birds singing and smell the flowers. You enjoy nature with your family. It brings you great happiness. 'Oh,' they say. 'It sounds wonderful. Where is it?'

But I don't tell them. I don't want it to be popular. It is my place. So no, I won't tell you where it is.
