

THE PLACE WHERE I LIVE

Hi friends!

My name is Sandra and I live in Barranquilla. It is in Colombia, it is a beautiful and colorful town.

There are about thirty shops and there are five supermarkets. You can buy everything you need in the town. There are two banks and a post office near my house. There is a police station and a cinema too.

You can find a big market square where you can buy fresh fruits and vegetables. I like going to the market with my mom.

There are three churches near my school and there is a park, too. In the park children can play because there is a playground. In our town you can find some restaurants and there are five ice cream shops. My favorite is Popsy, the ice cream is fantastic here!

There are twelve elementary schools in Barranquilla, my school is near the shopping mall Viva. We have got a wonderful building. Opposite our school there is a bakery. I love to eat chocolate cookies here.

If you want to see a film you can go to the cinema in our town, the Buenavista shopping mall has the best cinema in the town.

I like living in Barranquilla because people is friendly and happy all the time!
