

Why? Because...

Look at the pictures and read the questions.

Drag and drop the answers in the correct place.

Because they are having a bath.

Because its home is underground.

Because penguins need to eat fish and food in the sea.

Because its babies are in the nest.

Because they can see a lion, and they are scared.

Why is the rabbit going underground?

Why don't penguins live on grasslands?

Why are the zebras running?

Why are the elephants in the water?

Why is the bird flying to the nest?
