Describe Solomon's riches

Read: I King 3:11
or listen:

Why did the Lord become
displeased with Solomon?

What became of the kingdom?

The story of this lesson is as follows:

- Solomon asks God for an understanding heart to judge His people.
- God gave him wisdom as well as riches and honor over all other kings of his day.
- Solomon shows his wisdom by judging between two women. His fame spreads.
- Solomon builds the Temple.
- The Queen of Sheba visits and tests Solomon.
- Because Solomon turns to other gods, God divides the kingdom between Jeroboam and Rehoboam.
