

- ☐ 1. I am not interested in the details of the project. I only want **the big picture**.
2. If you do not pay your taxes, you will **face a reckoning** later. ☐
- ☐ 3. After the surgery, you will need a few days **to come back** completely.
4. After the pandemic, **the obituary of** many New York restaurants **was written**. ☐
- ☐ 5. Once we lose an employee, it only takes about a week until someone else **steps into the void** and replaces them.

Replace someone	Face consequences	The general view	To recover
The end of something			

6. IBM deals with computers, information systems, **and tech**.

7. Investors provide money for established companies and **start-ups**.

8. Buena Vista Film Entertainment **is a subsidiary** of Disney corporation.

9. The GPS locator **tracks** my car if someone steals it.

10. IBM business analytics can give you many **metrics** about how your business is working.

A company that is beginning	a company that is owned by another	follows	technology
measurements
