

LISTENING

Listen to the song and complete it.

Lying in my bed, I hear the clock tick and think of you

Caught up in _____

Confusion is nothing new

Flashback, warm nights

Almost left _____

Suitcase of memories

Time after

Sometimes you picture _____

I'm walking too far ahead

You're calling to me, I can't hear

What you've said

Then you say, "go _____"

And I fall behind

The second hand unwinds

_____ you're lost you can look and you _____ find me

Time after time

_____ you _____, I will _____ you, I'll be waiting

Time after time

_____ you're lost, you can look and you will _____ me

Time after time

_____ you fall, I _____ you, I will be waiting

Time after time

After my picture fades and darkness _____

Turned to gray

Watching through windows

You're wondering _____ I'm okay

Secrets stolen from deep inside (deep inside)

And the drum beats...
