

Reasons for attending college

Read the following case studies and select the reason each person should attend college from the options provided.

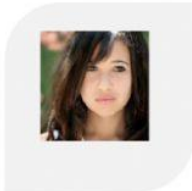

Sarah is 16 years old and she's been told that she has to go school, college or find a job.

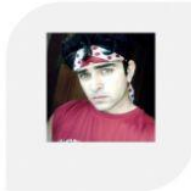

Iqbal is lonely and feels bored and isolated at home.

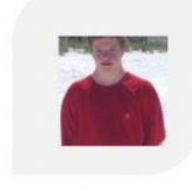

Martin has always found maths and English difficult, but he needs qualifications in them to get the job he's always wanted.

Miriam is very shy and finds it hard to work with other people.

Sheraz wants to be a bricklayer in the future.

Dominic has never travelled on a bus or made a cup of tea for himself.
