

CONVERSATION

1. **Listening.**

listen carefully to the conversation and fill in the blanks with the words from the box.

creation	innovation	gadget	electric skateboard	technology
----------	------------	--------	------------------------	------------

-Marck: I love coming to the movies, especially when there is almost no traffic. How do you come In?

-Anni: oh yeah I hardly ever have a problem with that thanks to my new

-Marck: great, that's a very good
helps a little more to the environment.
Speaking of , my dad gave me
a jacket that regulates the temperature

-Anni: really? super cool but I wouldn't buy, it
seems to me an unnecessary

-Marck: I think the same, but it was a gift. hey! I
will give you a helmet, that is a necessary
