THE FAMILY

Hi, my name is Mark and I have a beautiful family. My father is a teacher, his name is Jhon, my mother is a secretary, her name is Monica, my sister is a student, her name is Andrea.

My father likes cooking different dishes. He can cook spaghetti, soup, potatoes, and chicken.

Exercise. Write a paragraph about the habilities in your family.

For example. My aunt can dance salsa very well and she can also practice ballet.
