Describe how words and phrases (e.g., regular beats, alliteration, rhymes, repeated lines) supply rhythm and meaning in a story, poem, or song.

FALL FUN

When fall arrives, it brings a cool breeze. Leaves start to shed from the shivering trees.
From yellow to orange to brown and red, the pretty leaves cover the ground instead.

Grab a rake and make a pile. Watch your friends begin to smile.

Playing in leaves is fun to do, but cleaning them up is wonderful, too.

Big pumpkin bags work great for storing. Place them around your yard for adoring.

Always remember to keep a few, So you can create a picture or two.

When all is done, and snow has begun, pictures remind you of all the fall fun.
