WRITING

1. Read the following example

Today I will tell you how I met Mr. Black

A year and four months ago at the parties in a town where my grandparents live, I met Mr. Black, the day he presented me I went for a walk around the town, at about 4 in the afternoon, I was very concentrated watching a video from the night before, when suddenly many people passed by me, everyone was jumping and screaming with excitement because in the black van with armored glasses was Mr. Black, I did not pay much attention and continued as if Nothing, it was already 6 in the afternoon and I entered the hotel where we were staying, I went up to my room and my cousin was not there, who was my roommate, I went to the administration to ask for a copy of the key and not I had, so I kept waiting for my cousin to arrive, 20 minutes had passed and she did not arrive, so I went to the top floor to spend some time on the terrace, when I got there Mr. Black was there, we started talking, he gave me something to drink and then I told him if he would give me an autograph.

That's how I met Mr. Black.

2. Write an anecdote similar to the one above
