

LISTEN TO THE SONG "NAUGHTY HORSE" AND MATCH!

Naughty horse

*I'm running round this cowboy town.
Round and round, and up and down.
I'm looking for my cowboy horse.
It's a naughty horse, of course!*

Is it in front of the station? ●

Is it under a table?

Is it between the bank and the park? ●

It isn't in the stable! ●

I'm running round ...

Is it opposite the restaurant? ●

Is it behind the school? ●

Is it between the bridge and the shop?

No! It's in the swimming pool! ●

I'm running round ...
