English Reading Comprehension: My Life in the Arctic

Paragraph A:

My life in the Arctic

Dear Laura,

I am your new penfriend and I want to tell you about my life. I live with my parents and grandparents. I've got two younger brothers, Koda and Atka, who are two and four years old. I live in a village near the city of Barrow in Alaska. It is quite famous because it is the most northern city on the North American continent. We are in the Arctic, so I suppose my life here is very different from yours in England. Here, in winter, there is normally very thick snow. It's very cold. The temperature is about minus 30 degrees! During winter, the sky is dark all the time, even in the day, but the white snow on the ground gives us light to see. Sometimes we can see beautiful colours in the sky, too. This is called the Northern lights.

1. Where does Kirima live?

- a. In England
- b. In Barrow, Alaska
- c. In Canada
- d. In New York

2. How many brothers does Kirima have?

- a. One
- b. Two
- c. Three
- d. None

3. What is the temperature in winter?

- a. Minus 30 degrees
- b. Zero degrees
- c. 20 degrees
- d. 10 degrees

4. What can they see in the sky sometimes?

- a. Rainbows
- b. The Northern Lights
- c. Stars
- d. The Moon

5. What is special about Barrow, Alaska?

6. How does Kirima describe winter in the Arctic?

Paragraph B:

Most of my friends walk to school using special snow shoes or skis. I live further from the school, so I go by snowmobile, which is really fun. My mom drives it and I sit on the back. How do you go to school? Do you have snowmobiles in England? I think you have more rain than snow there, right? It hardly ever rains here.

1. How do Kirima's friends go to school?

- a. By bus
- b. On snow shoes or skis
- c. On foot
- d. By car

2. Who drives the snowmobile?

- a. Kirima
- b. Her father
- c. Her mother
- d. Her teacher

3. What kind of weather do they have in England?

- a. Rainy
- b. Snowy
- c. Sunny
- d. Hot

4. What does Kirima think about riding a snowmobile?

- b. It's fun
- c. It's scary
- d. It's dangerous

5. How do children in the Arctic go to school?

.....

6. How do you go to school?

.....

Paragraph C:

There are 200 children at my school, mostly Eskimos like me. We also have other visitors to our school: reindeers and polar bears try to come into school. Polar bears are beautiful, but really dangerous. What wild animals do you have in England?

1. How many children are at Kirima's school?

- a. 100
- b. 200
- c. 300
- d. 400

2. What kind of animals visit their school?

- a. Dogs and cats
- b. Polar bears and reindeers
- c. Foxes

- d. English

5. Why are polar bears dangerous?

.....

6. What animals live near your school?

.....

Paragraph D:

At the weekends, there are usually dog sled races in my village. We have five dogs and my father drives them. It's really exciting. We also tell stories, sing songs and dance.

In the summer, everything changes. Most of the snow goes and the sky is always light and sunny. It's never dark at all. Eskimo children don't go to school during the summer here. We travel with our parents to go hunting and fishing, and we sleep in tents.

1. What happens at the weekends in Kirima's village?

- a. Dog sled races
- b. Snowball fights
- c. Ice skating
- d. Skiing

2. Who drives the sled dogs?

- a. Kirima
- b. Her brother
- c. Her father
- d. Her teacher

3. What do they do in the summer?
