

How would be a good teacher?

Join with a line as you think corresponding the characteristics that appear in the left column with one of the two types of teachers that exist.

**BAD
TEACHER**

**GOOD
TEACHER**

Have fun in class with students

Isn't ready for change

Motivate the students

Does not provide necessary support to students

Find strategies to facilitate student's learning

Teach with love

Doesn't prepare and improvise his classes

Teach in a traditional way

Cares more that the students learn than the grade

Resolve doubts of the students but in a bad way
