

C1 Advanced Writing Part 2 - Proposal -

Your college currently doesn't provide enough support for students planning to spend time studying in another country. You see this notice at the library.

The college is planning to introduce a special course for students planning to spend time studying in another country. The college principal invites students to send a proposal outlining any problems students may face when studying abroad and suggesting ways in which the course could address these problems. A decision can then be made about what to include on the course.

Write your **proposal** in 220 – 260 words in an appropriate style.

HINTS

First things first...

1. Begin by brainstorming ideas, in any order, and don't worry about language at this stage.
2. Group your ideas under headings for each section of your proposal.
3. Write a first draft, paying attention to the level of formality of the language.

Don't forget!

- Begin by stating the **purpose of your proposal**.
- Use an **impersonal, semi-formal style**.
- Use clear **layout with headings**.
- Express opinions and make recommendations in the last section of your proposal.
- Include a final sentence summarising your opinion.
- Use bullet points but not too many.
