FRIENDS AND NEIGHBOURS

Lucy is my neighbor and she is my best friend. Our daily routines aren't the same because our families are very different. Lucy's family don't listen to pop music because her parents prefer classical music. Pop music helps my family relax . We listen to a lot of pop music .

Lucy's parents think that TV is bad for people . They think people need more exercise . But their opinion about TV is strange because they watch a lot of TV . My parents think TV is good because a lot of programmes are very interesting. We can all learn something from TV , but we need exercise , too. Lucy's family never exercise !! They aren't interested in sports . My family play a lot of sports . Sports are fun.

Our families have got very different opinions about diet . I'm not a vegetarian , but I don't eat a lot of meat . A diet with a lot of meat isn't good for you . Lucy's family eat meat everyday and her parents drink litres of coffee! I never drink coffee. I think that it's unhealthy .
