

**Enrique Iglesias Somebody's me**

**Listen and choose the correct answer.**

You, .....you ..... Me ?

like I ..... You.

..... you ..... your life ? going back in your mind to that time.

Cause I, I ..... the streets alone.

I ..... being on my own.

And everyone can see that I really fell.

And I'm going through hell.

thinking about you with somebody else.

Somebody ..... you, Somebody ..... You.

Somebody ..... about you every single night.

Somebody can't breathe without you it's lonely.

Somebody ..... that one day you'll see.

That somebody ..... me. That somebody is me.

How, how did we go wrong ? It was so good and now it's gone.

And I ..... at night that our path's soon will cross what we had isn't lost.

Cause you ..... right here in my thoughts.

Somebody ..... You, somebody ..... you,

Somebody ..... about you every single night.

Somebody can't breathe without you it's lonely,

Somebody ..... that one day you'll see.

That somebody is me.

You'll always be in my life, even if I'm not in your life. Cause you're in my memory.

You, when you remember me, and before you set me free. Oh listen please.
