

MARA, THE ELEPHANT

Read the text about Mara's life. Then, read and choose the correct picture.

This is Mara, the elephant. She is 50 years old and now lives in the grasslands in Brazil.

Mara wakes up every day at nine thirty and goes for a walk. Then, she eats and plays with her elephant friends in the sand. In the afternoon Mara uses her trunk to shower.

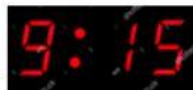

At night, Mara goes to sleep early because she is tired...but she is also happy because she has new friends and many people take care of her and love her!

1) Mara lives in the.

2) She always wakes up at

3) She likes playing in the

4) What part of her body does she use to shower?

5) At the end of the day, Mara is

because she has friends and people love her!
