

Instructions: Drag and drop the words at the bottom of the words in red inside the sentences.

(In each sentence, one word is in red. The student must find its meaning and places it over the red word in the sentence. The underlined words are the context clues.)

1. A **twister** blew down the barn during a bad storm.

2. The factory **produces** 100 dolls a day.

3. We **shiver** at the bus stop when it is cold.

4. The teacher **noticed** that Jim was not in his seat.

5. The **clever** cat found a way to open the cupboard.

6. He was a good **scholar** who made all A's.
