## Climax

**The most exciting part of your story**

**Slow down the action by describing everything in detail,  
showing emotions and using personal thoughts**

**Escalate the problem - THE PROBLEM INTENSIFIES!**

| IDIOMS                      |                                         |
|-----------------------------|-----------------------------------------|
| Open a can of worms         | Look before you leap                    |
| A wolf in sheep's clothing  | Slow and steady wins the race           |
| Beating a dead horse        | Familiarity breeds contempt             |
| Spill the beans             | There's plenty of fish in the sea       |
| A snowball's chance in hell | You can't have your cake and eat it too |

| Intensify the problem                                                             |
|-----------------------------------------------------------------------------------|
| 1. My heart raced as I realized I _____!                                          |
| 2. "If you don't _____ we will _____" announced _____,<br>intensifying my anxiety |
| 3. "Tell me _____" boomed _____, exacerbating my worst fear!                      |

| Before solving the problem, show feelings and personal thoughts |
|-----------------------------------------------------------------|
| I sweated profusely as I realized I _____                       |
| Then, solve the problem                                         |
| Fortunately, _____.                                             |
