

READING CLASSWORK

Hello! How are you? My name is Martina. My nickname is Martu. I am eleven years old. I am from USA. I am American. My birthday is on July 25th. I am neat, I am not messy. I have straight brown hair and green eyes. I like dancing, but I don't like playing football. My favourite subject is Language because I love reading and writing. I have Language on Wednesdays and Fridays.

My best friend is Joaco! He is twelve years old. He is Canadian. His birthday is on March 5th. He is neat and shy but he isn't outgoing. He has curly brown hair and brown eyes. He loves playing videogames!

Joaco always gets up at 6.45 and has breakfast at seven o'clock. **Then**, he goes to school and has lunch at 1.15 P.M. In the afternoon, he usually does his homework and plays video games at half past six, and **after that**, he has a shower. Later, he sometimes chats with his friends. **Finally**, he has dinner with his family and goes to bed at eleven o'clock.

When Joaco grows up he wants to be a doctor because he likes helping people. When I grow up I want to be a secretary because I love working on the computer.

Write to me soon,

Martu
