Do you ever feel like plastic bag
Drifting through wind
Wanting to start again?
Do you ever feel, feel so paper-thin
Like house of cards, one blow from caving in?
Do you ever feel already buried deep
Six feet under screams but no one seems to hear thing
Do you know that there's still chance for you
'Cause there's spark in you?
You just gotta ignite light and let it shine
Just own night like 4th of July
