Complete the text using THERE WAS- THERE WERE- THERE

I went on holiday to Greece last month. I stayed in a really nice hotel – there were two swimming pools in the garden!   
a small beach in front of the hotel.  any cars on the road, but  some buses, and a lot of tourists.  a restaurant in the hotel, but   
some very nice restaurants in the town.  a waiter called Manolis – he was very friendly.  a big window, so I could see the sea. In the evening, when   
any people on the beach, it was very beautiful.
