

Listen to the song HER by Anne Marie and drag the lyrics to their right place:

If someone puts me down, yeah I know my worth
All thanks to you, the lessons that I've learned

I don't see you as much as I used to
But if I did, I know what I would do

If I had to put it into words
I think of an angel and all I see is her, mm-all

I'd tell you I love you a million times
Say that I'm sorry if I made you cry

And when I was younger, I treated her the worst
Never known someone stronger, 'cause damn, it must have hurt

When I think of my mother, no one compares to her
A love like no other, she puts everyone else first

Could never be half the woman even if I tried
But I'll try, I swear I'll try

[Pre-Chorus]

[Chorus]

All I see is her, hmm

[Verse 2]

Your voice in my head, it—it tells me I'm beautiful

And when I have children, I'll pass on the things I was told

Repeat [Pre-Chorus]

Repeat [Chorus]

And all I see is her
