

"We used to wait" - Arcade Fire

Write the missing verbs:

I used to
 I used to letters
 I used to my name
 I used to at night
 Before the flashing lights
 deep in my brain
 But by the time we (x2)
 The times had already
 So I never a letter
 I never my true heart
 I never it down
 So when the lights out
 I lost standing
 in the wilderness downtown

Circle the correct word:

Now our lives are / were changing fast
 Now our lives are / were changing fast
 Hope that something pure can / may last
 Hope that something pure can / may last

Number the Sentences:

- () But what's stranger still
- () It seems strange
- () How we used to wait for letters to arrive
- () Is how something so small can keep you alive

Write the missing verbs:

We used to
 We used to hours
 just walkin' around
 We used to
 All those wasted lives
 in the wilderness downtown

Write the missing verbs:

Ooooo we used to (x3)
 Sometimes it never
 (Ooooo we used to)
 Sometimes it never
 (Ooooo we used to)
 Still moving through the pain

I'm gonna a letter
 to my true love
 I'm gonna my name
 Like a patient on a table
 I wanna again
 Gonna through the pain

Circle the correct word:

Now our lives are / were changing fast
 Now our lives are / were changing fast
 Hope that something pure can / may last
 Hope that something pure can / may last

Write the missing verbs:

Ooooo we used to (x3)
 Sometimes it never
 (Ooooo we used to)
 Still moving through the pain
 We used to

We used to for it (x2)
 Now we're
 the chorus again
 We used to for it (x2)
 Now we're
 the chorus again
 I used to for it (x2)
 Hear my voice
 the chorus again
 Wait for it (x3)
